

Dear Family:

Thank you for your interest in the High/Scope Demonstration Preschool. I would like to take this opportunity to tell you a little bit more about our school.

The High/Scope Demonstration Preschool has been a fixture in the Ypsilanti community for over 30 years. Our school is nonprofit and serves children from all of Washtenaw County. This small school's impact has extended beyond the borders of Ypsilanti. Well over 600 national and international educators and policymakers visit our program each year to learn more about its exemplary educational practices with young children.

Our National Awards and Honors include:

- Chosen one of the "10 Best Preschools in the U.S." by Child Magazine
- Recognized as an "exemplary program" for preschool-aged children by the U.S. Department of Education's National Diffusion Network
- Accredited by the National Association for the Education of Young Children, which commended the staff for "the warm positive interactions" with children and "meeting the needs of the children and families."

The High/Scope Demonstration Preschool is licensed to serve children aged 3 years to 5 years 11 months. Each year we are able to select 16 children to enroll in our program. The program runs M-F from 8:30 a.m. to 11:30 a.m. during the school year and T-W-TH from 8:30 a.m. to 11:30 a.m. in the summer. Children must be toilet trained to attend. Scholarships are available based on financial need. Please contact us if you would like a financial aid application.

If you have any questions about the program or would like to arrange a time to visit, please call the High/Scope Early Childhood Division at (734) 485-2000 and ask to speak to Chris Boisvert (teacher), Sue Gainsley (teacher), or Beth Marshall (director).

If you are interested in enrolling your child, please return the Application Form to:
